Dear Mrs. Janak Rani,

The Indian Association of Teacher Educators (IATE) is the oldest and leading professional body of teacher educators in India. It was established on the 25<sup>th</sup> November, 1950 at M S University of Baroda due to initiatives of eminent educationists like Late Prof. T.K.N. Menon, Late Prof. Hansa Ben Mehta and Late Prof. S.N. Mukerjee. It was registered under Societies Registration Act in 1966. IATE has been playing significant role in providing a platform to teacher educators of India and neighbouring countries for meaningful deliberations on various issues related to education system in general and teacher education in specific. There is hardly any other professional body of its age, continuity and strength. IATE also brings out a Journal of its own known as "TEACHER EDUCATION". I hope you will be able to play a leadership role in this prestigious, professional Association.
