Action taken report on analysis of feedback form of all stakeholders

1. **Students' Feedback on Teachers:** 96% of students expressed high satisfaction with their teachers, praising their dedication, expertise, and supportive nature. However, 15% suggested the need for more innovative teaching methods. It was recommended to arrange continue professional development programs for teachers to incorporate innovative teaching strategies and ensure they remain updated with the latest educational practices.
2. **Feedback on Infrastructure:** 97% of respondents viewed the institution's infrastructure as adequate, while 35% highlighted areas needing improvement, particularly in library resources and digital access. It was recommended to invest in upgrading library resources and increasing access to digital materials. And ensure technological infrastructure supports innovative teaching and learning methods.
3. **Feedback on Curriculum:** 98% of respondents appreciated the curriculum's relevance and its alignment with current educational trends, noting its practical applications. However, 22% indicated a need for more practical workshops and hands-on experiences. It was recommended to continue to update the curriculum to reflect the latest educational trends and practices and to incorporate more practical workshops and hands-on training sessions to enhance experiential learning.
4. **Feedback on Stakeholders:** Feedback from stakeholders, including parents and industry professionals, was generally (98%) positive. They appreciated the institution's efforts to prepare students for their careers, though some suggested stronger industry linkages. It was recommended to strengthen partnerships with school professionals and organizations to provide students with more internship opportunities and industry-relevant skills.
5. **Community Feedback:** The community members (97%) expressed overall satisfaction with the institution's engagement and contribution. Community members appreciated the outreach programs and the institution's role in local development. It was recommended to maintain and expand community outreach programs to enhance the institution's impact on local development. Encourage student participation in community service to inculcate a sense of social responsibility.
