Action taken report on analysis of feedback form of all stakeholders

- 1. Students' Feedback on Teachers:** A large majority of students (97%) expressed high satisfaction with their teachers, commending their dedication, expertise, and supportive nature. However, 3% suggested incorporating more innovative and engaging teaching methods. It was suggested to continue professional development programs for teachers to adopt innovative teaching strategies. And encourage faculty to participate in workshops and training sessions to stay current with the latest educational practices.
- 2. Feedback on Infrastructure:** Around 97% of respondents found the institution's infrastructure to be adequate, while 3% pointed out areas needing improvement, particularly in library resources, digital access, and overall facilities. It was recommended to invest in enhancing library resources and increasing access to digital materials and to improve the technological infrastructure to support innovative teaching and learning methods. It was also suggested to conduct regular maintenance and upgrades to ensure a conducive learning environment.
- 3. Feedback on Curriculum:** The curriculum was valued by 97% of respondents for its relevance and alignment with current educational trends, particularly its practical applications. However, 3% called for more practical workshops and hands-on experiences. It was suggested to keep updating the curriculum to reflect the latest educational trends and practices including more practical workshops and hands-on training sessions to enhance experiential learning. Consult with industry experts and alumni for continuous improvement.
- 4. Feedback on Stakeholders:** Feedback from stakeholders, including parents and industry professionals (98%), was generally positive, appreciating the institution's efforts to prepare students for their careers. Some stakeholders suggested stronger industry linkages and more career-oriented programs. It was recommended to strengthen partnerships with school teachers and educational institutions to provide students with more internship opportunities and teaching-relevant skills. Organize career fairs, networking events, and guest lectures from educational experts to bridge the gap between education and institutional requirements.
- 5. Community Feedback:** The community members (96%) expressed overall satisfaction with the institution's engagement and contributions, appreciating the outreach programs and the institution's role in local development. Suggestions included more community-oriented projects and activities. It was recommended to maintain and expand community outreach programs to enhance the institution's impact on local development. Encourage student participation in community service to develop a sense of social responsibility. Develop collaborative projects with community organizations to address local needs and challenges.
