Action taken report on analysis of feedback form of all stakeholders

(2021- 2022)

Date: August 26, 2022

The feedback collected reflects a high level of satisfaction across various aspects of the institution. Student feedback on teachers showed a remarkable 98% satisfaction rate, highlighting the dedication and expertise of the faculty. To further enhance teaching effectiveness, it is recommended to arrange continuous professional development programs aimed at incorporating innovative teaching strategies.

Regarding the institution's infrastructure, 95% of respondents viewed it positively. However, there is a need to invest in upgrading library resources and increasing access to digital materials to better support the educational needs of the students.

The curriculum received a 95% satisfaction rate, with respondents appreciating its relevance and practical applications. To maintain this standard, it is suggested to keep updating the curriculum to reflect current educational trends and include more practical workshops and hands-on training sessions.

Feedback from stakeholders, including parents and industry professionals, was 96% positive. They praised the institution's efforts in preparing students for their careers but recommended stronger industry linkages to provide more internship opportunities and industry-relevant skills.

Overall, the community feedback was very positive, with 97% expressing satisfaction with the institution's engagement and contribution to local development. It is recommended to maintain and expand community outreach programs and encourage student participation in community service to foster a sense of social responsibility.
